This week's Right Respecting Article is: Article 26 - Families have the right to be safe

Newsletter Friday 3rd July 2020

Dear Parents/Carers,

Here we are in July and at the end of another week! Unfortunately, we seem to have lost the lovely weather for the moment!

Reports:

On Monday all pupil reports will be posted to parents/carers so you should receive them later in the week. As you will appreciate the report and attendance certificate enclosed is for the period from September until 20th March when the school closed for lockdown.

If you would like the opportunity to discuss your child's report with a member of staff, please email the year group email address by Friday 10th. July and a telephone appointment will be arranged.

Classes for September:

All parents/carers will receive a text message on Monday informing you of your child's next class teacher. Enclosed in the report envelope will be a letter to your child from their new year group team introducing themselves. We are planning transition activities for September.

Return to school in September:

The Government issued guidance yesterday for all schools in relation to their return in September.

We are currently working our way through it and will be able to inform you of specific details next week, however, following the current guidance, we will be open to all pupils from Thursday 3rd. September.

Summer holidays:

School will be closed for the Summer holidays from Monday 20th July until Thursday 3rd. September when we will reopen for children.

Have a good weekend and stay safe!
