Newsletter 18th September 2026

Messages from Mr Robson:

MACMILLAN COFFEE MORNING

Next **Friday**, we will be hosting a **Macmillan Coffee Morning in the KS2 Hall** from **9:30am - 10:30am**, and we would love to see you there.

This is a wonderful opportunity for families to come together, enjoy a **cup of tea or coffee**, have a chat with other parents and staff, and purchase a selection **of cakes and biscuits**. Every penny raised will be donated to Macmillan Cancer Support, helping the charity continue its incredible work supporting people and families affected by cancer.

As a school, we are proud to support causes that reflect our values of **Be Kind. Be Ambitious. Grow Together.** By working together and showing kindness to others, we can make a real difference to those who need support.

We hope you can join us for this worthwhile event and help us raise as much money as possible for Macmillan Cancer Support. Thank you for your support.

UNIFORM

Thank you to the vast majority of parents and carers who are supporting our school by ensuring that children attend in the correct uniform. Your support helps us maintain high standards and a strong sense of belonging across the school.

From Monday, please ensure that **pupils with long hair come to school with their hair tied back**. Also, as you know, we have listened carefully to feedback regarding earrings and have made some adjustments to our expectations. Pupils may continue to wear **small stud earrings** only. However, pupils **must be able to remove and replace their earrings independently for PE lessons**. If a pupil is unable to do this, for whatever reason, they will **not be able to take part in the physical aspects of the lesson for health and safety reasons**.

Trainers worn on PE days should be as plain as possible and should **not include bright fluorescent colours, flashing lights or similar features**.

Thank you for your continued support in helping us maintain a smart, practical and safe learning environment for all children.

ATTENDANCE AND PUNCTUALITY MATTER - EVERY MINUTE COUNTS

Good attendance and punctuality are essential if children are to make the most of their education. Missing even a few minutes of learning each day can quickly add up over the course of a year.

- Please ensure your child arrives at school **on time** every day.
- Reception and **Key Stage 1** registers are taken promptly at **8:45am**.
- **Key Stage 2** registers are taken promptly at **8:50am**.

If a child is not in class **when the register is taken, they will be marked as late**. Any pupil arriving **more than 30 minutes after registration closes will receive an unauthorised absence**. Arriving on time ensures children start the day calmly, take part in important morning learning and avoid missing key instructions. Thank you for your continued support in helping us achieve excellent attendance and punctuality across the school.

PARKING AND RESPECT FOR LOCAL RESIDENTS

We are asking all **parents and carers to use the Asda car park for drop-off and collection wherever possible**. It is only a short walk from school and helps to reduce congestion and improve safety around our site.

We continue to receive concerns from local residents about parking and children accessing private property. Please do not park in a way that blocks driveways, causes obstruction or creates hazards for other road users. We also ask that children and families are respectful of residents' homes, gardens, walls, fences and driveways at all times.

As a school, we are proud of our place within the local community and ask all families to help us maintain positive relationships with our neighbours through considerate and respectful behaviour. **Thank you for your support.**

NEW PTA LAUNCH – EVERYONE WELCOME!

We are keen to re-establish a **Parent–Teacher Association (PTA)** at our school and would love to hear from any parents or carers who may be interested in getting involved.

A PTA plays a valuable role in bringing our **school community together** - supporting school events, fundraising for extra opportunities and resources for children, and creating chances for families to connect. Most importantly, every PTA starts small, and involvement can be as little or as much as you are able to offer.

If you are interested but unsure where to start, please don't worry. The school is very happy to support parents and carers to get things up and running, and we can offer the use of the school building as a meeting place if families would like to get together informally to explore ideas.

You don't need previous experience - just enthusiasm and an interest in supporting our school community. Even if you'd simply like to find out more or have a chat with other parents, we'd love you to come forward.

If this is something you might be interested in, **please contact the school office**, and we can help connect you with others who would like to be involved.

Together, we can build something positive and enjoyable for our children and families.

PARENT HELPERS – CAN YOU SPARE A LITTLE TIME?

We are always grateful for the support of our parents and carers and are now looking to build a **small group of parent helpers** who may be able to support school life in a variety of ways. Parent helpers make a real difference to children's experiences in school. Support might include:

- Listening to children read
- Helping with practical activities in class
- Supporting educational visits and trips
- Helping at special events or activities

Support can be occasional or regular - any help, however small, is hugely valued.

All parent helpers will be supported by school staff and appropriate checks will be completed to ensure safeguarding requirements are met. You do not need teaching experience - just time, enthusiasm and a willingness to help.

If this is something you would like to find out more about or get involved in, **please contact the school office**, who will be happy to talk through the next steps with you.

Thank you for continuing to support our school and our children.

Have great weekend!
Mr Robson
