Newsletter - Friday 15th January 2021

Remote Learning:

Engagement has been fabulous this week online! We are all so impressed with the involvement of both pupils and parents/carers. Please keep this going!

Currently, we are not sending reading books home however, books will be available online for all children to access. Staff will post links on Showbie for children to read plus other reading videos and links to books for independent reading will be signposted. You will need to know your child's Purple Mash log in details. Please email the home learning email addresses if you require log in details.

Marvellous Me messages will continue across the week with daily updates specific to individual year groups. The online learning register is open from 9am - 10.30am every day. Please go to the discussion page to see daily messages from the staff. Monday to Thursday children post name only and Friday will be rewards day! Staff will announce on the discussion page at 10am each Friday who has won the weekly awards. Children are welcome to chat to their teachers/class using the comment box on the discussion page each Friday between 10:00am - 10.30am. Staff will monitor the page closely during this time.

A reminder that parents/carers can view the online guidance on how to use Showbie on the school website on the [Home Learning page](#).

IMPORTANT: throughout the week staff will be giving feedback on work but it will not always be immediate, particularly if it is completed after working hours. All work will be marked across the week either by a tick and a thank you or a written comment. We appreciate your support.

Safeguarding:

If you have any safeguarding concerns about any of our children, please contact Mrs Murray on 07469 402630.

Wellies:

Please can pupils who are attending school wear wellies or boots in the bad weather and bring a change of shoes for inside.
