## Newsletter - Friday 8<sup>th</sup> January 2021

### Welcome to 2021:

This is the first newsletter of 2021 and we send you all of our best wishes for the new year. The year has started very unusually but we thank you all for the support you have given to us across the week as we have had to change our school opening plans.

### Remote Learning:

We are trying to ensure our Remote Learning offer is flexible as we appreciate that all families will access it in different ways and at different times. The class discussion page where your child registers will now be open from 9am until 10.30am. This gives everyone enough time to log in and register. The children can then do the online work at any time during the day. All work has a due date of Sunday 12 o'clock mid-day. Thank you for your support.

### Safeguarding:

If you have any safeguarding concerns about any of our children, please contact Mrs Murray on 07469 402630.

### Face coverings:

Parents/carers are required to wear a face covering when entering the school premises (within the green fence). Working together will enable us all to stay safe.

### Coats and Shoes:

As we are trying to keep everyone safe, please can we request that all children wear a coat and shoes that they can fasten by themselves. This will enable staff to maintain an appropriate social distance which is difficult to do when children are asking for help with their coat or shoes. Thank you.
