

Whinfield Primary School - Long Term Plan for Phonics and Spelling

Intent:	The phonics and spelling curriculum have been sequenced so that new knowledge and skills build on what has been taught before and towards its clearly defined end points. The curriculum has been reviewed in light of the context of the children at Whinfield Primary School and recent government recommendations which has led the school to use Little Wandle as our phonic scheme. The content taught has been identified as the most useful and addresses the gaps in knowledge and skills that have been identified across the whole school community. Staff have been consulted regarding the adaptations needed post COVID. All staff are aware of how the curriculum in phonics and spelling is sequenced. Disadvantaged and SEND pupils have equality of access and opportunity.		
Implementation:	Phonics and spelling are taught daily from Reception to Year 3. Spelling is taught three times each week from Year 4 to Year 6. Teachers ensure that each lesson starts with a recap of knowledge and skills in order to use what the children already know as a basis on which to build new knowledge and skills. Misconceptions are addressed as teachers check prior knowledge and help children to embed what they know. The application of knowledge is modelled and practising these skills in other subjects is encouraged. Effective use of assessment ensures that next steps are accurately planned for. Children identified as falling behind are provided with intervention in order to accelerate progress and to enable children to keep up.		
Impact:	The phonics and spelling curriculum are well constructed. Children are taught phonics and spelling in a planned and regular way ensuring they learn how to be confident, fluent readers with a genuine love of books. Pupils are given many opportunities to review and revisit prior learning so that knowledge is committed to long term memory. Leaders check how well pupils are doing through lesson visits, work scrutinies, hearing children read and talking to both staff and pupils to ensure pupils are benefitting from the way phonics and spelling is taught in school.
